Whistler Secondary School: Where Adventure Meets Education!

Welcome to Whistler Secondary School (WSS), nestled just north of Whistler Village in British Columbia's breathtaking Sea to Sky Corridor. Let's explore what makes WSS an extraordinary place for students:

Whistler is on the unceded lands of the Skwxwú7mesh, Lil'Wat and St'á'y'émc nations. These indigenous communities have stewarded this territory since time immemorial, passing down rich traditions, oral histories, and a deep connection to the land. Make sure to visit the Squamish Lil'Wat Cultural Centre when visiting Whistler!

These peaks aren't just scenery; they're part of our story. Whistler hosted the 2010 Winter Olympic Games, cementing its world-class status as a ski and snowboard resort.

Ski, Bike, Thrive Whistler isn't just about winter wonder. It's the top-ranked Ski Resort and Bike Park in North America. Whether you're carving slopes or pedaling forest trails, adventure awaits. And when spring and fall arrive, we swap skis for mountain bikes and golf clubs.

Cosmopolitan Vibes: With a local population of around 15,500, Whistler buzzes with energy. But wait—weekends and holidays transform it into a global hub. Up to 200,000 tourists worldwide join the party, creating a vibrant, cosmopolitan atmosphere.
