

ABOUT THE DISTRICT

Chico Unified School District strives to ensure students achieve academic and personal success, providing hands-on learning and career readiness for various industry sectors. Chico High School has one of Northern California's most advanced Computer Arts Labs and the district was recognized by its "Exemplary Art Program" by the California Art Education Association in 2001-2002. Home to Chico State University, Chico is always hosting interesting events and has many nationally ranked sports teams to follow.

COMMUNITY PROFILE

Chico Unified School District is located in California's lush Sacramento Valley and covers 322 square miles. This is an excellent destination for those that love the arts and culture, as well as for those most comfortable in wide-open spaces. The Bidwell Park is a must-see! With 3,670 acres, this is one of the largest municipal parks in the US. Scenic picnicking spots can be found throughout the park, as well as near the Honey-Run Covered Bridge, the only three-story covered bridge in the US.

Population: 94,529
 Nearest Major City: Sacramento
 Temperature Range: 7°C to 40°C
