

ABOUT THE DISTRICT

Orono High School has been recognized as the #1 public high school in Maine with an international program. Orono High School provides each student with a MacBook Air laptop and offers a rigorous and diverse selection of courses. The school allows qualified international students to take one course at the University of Maine for both high school and college credit. Beyond the classroom the school offers a variety of extracurricular activities.

FACILITIES

Orono High School works in tandem with the University of Maine to offer residents access to a variety of campus services, including the university's state-of-the-art fitness center. The university also has a bus system to downtown.
