

## ABOUT THE DISTRICT

Freedom Preparatory Academy opened its doors in September 2003 to help students succeed in school and life through a proven curriculum that provides college and career readiness. That is one of the reasons why Freedom has been voted Utah Valley's Best K-12 Charter School. Freedom Prep is committed to small class sizes and technology-enabled tools that allow students to progress effectively. There, students can select an area of emphasis from one of five learning academies: Advanced Studies, Computer Science, Digital Media, Engineering, and Fine Arts.

## FACILITIES

Freedom Preparatory Academy central campus offers a 60,000-square-foot secondary school serving grades 6-12. The facility offers technology-equipped classrooms, cutting-edge engineering and science labs, a remarkable media arts space, an athletic field, and a college resource center.

# COMMUNITY PROFILE

Provo, Utah is only a 45 minute drive from the state's capital of Salt Lake City and the Great Salt Lake that the city is named after. This region is fantastic for students who love hiking and the outdoors. Nestled in the Rocky Mountains, Utah also experiences a very long ski and snowboard season, with many mountain resorts in the area. The scenery is absolutely beautiful in Utah, with many National Parks such as Zion, Bryce, and Arches.
